PGLAMCUT	Pergo Laminate Cutter		Length 700 mm Height 230 mm Width 280 mm	1 pc = 1 pack

**Product description**

- The Pergo laminate cutter is a manual, dust-free cutter to cut laminate or vinyl planks by one chop.
- The steel cutter includes a positionable trestle for long boards and a dust collector.
- Thanks to the adjustable board stopper, the laminate cutter cuts planks up to 12 mm / class 34 thickness and 230 mm width.

OR
