

DOMOTEX Asia Postponed

With more than 20 years of success, the leading flooring exhibition DOMOTEX Asia/CHINAFLOOR, planned to be hold in May, Shanghai this year is postponed.

Because of the growing escalation of a Covid-19 outbreak around China, the organization has decided, after close consultation, that the event will be rescheduled.

As the Pergo team, we are genuinely sad that we won't be able to meet you in May, but we hope to see you again and hopefully soon at this beautiful expo to share our new products and innovations with you.

We will keep working with our partners to finalize the details and looking forward to the new date that will be announced by the end of May. We will keep you posted.
